The SkillStorm Difference

Improved Exam Pass Rates
Instructor-led increases the amount of accountability to show up to instruction and complete coursework, therefore resulting higher pass rates.

35 Training Hours
As an authorized training partner, our course offers the 35 hours of project management exposure required to sit for the exam.

One-on-One Mentorship
Learning styles are better supported when guidance is provided beyond the curriculum, improving outcomes for students.

Career Pathways
SkillStorm's military programs offer multiple pathways for service members. Get certified now and prepare for the next step through VET TEC or Techforce by Design.

Workforces Trained Globally
SkillStorm is the trusted partner of top organizations around the world for training and upskilling their workforce.

Official Curriculum from PMI®
Our curriculum comes straight from our partners, ensuring the material is aligned with the most current release.
