Course Overview

PMI® Project Management Professional Certification Course

Price: \$2,400

100% Online Course Schedule: 8 Weeks | Expected 6-8 hours a week

Courses Starting Bi-Weekly: Once enrolled, you can begin learning within a week or two.*

Certifications: PMI PMP

What You'll Learn:

The PMI PMP Training Course provides you the skills to manage the people, processes and business priorities of professional projects. You'll learn how to use predictive, agile and hybrid approaches to work a project while motivating the people and teams through all phases. Learn how to highlight the success of the project and its impact on the overall strategic organizational goals.

Eligibility Requirements:

A high school or associate's degree, 60 months of experience leading projects within the past eight years, and 35 hours of project management education/training or CAPM certification.

OR

A bachelor's degree, and 36 months of experience leading projects within the past eight years, and 35 hours of project management education/training or CAPM Certification is required.

Course Highlights:

Hands-on training

Official labs, materials and curriculum directly from PMI

Live seminars with PMI® authorized trainer

1-2 hours of live lecture/week

Content to review on your own time

2-3 hours of recorded content/week

Certification exam voucher

Voucher for the PMI PMP® certification exam included

Certificate of completion

Received from SkillStorm upon completing course

**If the minimum class enrollment size of 7 is not met, students will be notified and the start date will be rescheduled*

POWERED BY SKILLSTORM

The SkillStorm Difference

Improved Exam Pass Rates

Instructor-led increases the amount of accountability to show up to instruction and complete coursework, therefore resulting in higher pass rates.

35 Training Hours

As an authorized training partner, our course offers the 35 hours of project management exposure required to sit for the exam.

One-on-One Mentorship

Learning styles are better supported when guidance is provided beyond the curriculum, improving outcomes for students.

Top Career Accelerators

More than 20 years within the tech space has made us experts in understanding and preparing today's top workforce to advance in lucrative and lasting jobs in tech.

Defined Career Pathways

We've partnered with tech experts to align our courses with the skills sought by employers. This ensures our students are prepared for in-demand positions and roles.

Official Curriculum from PMI®

Our curriculum comes straight from our partners, ensuring the material is aligned with the most current release.
